

Grateful Dead "Bird Song"

All I know is something like a bird within her sang
All I know she sang a little while and then flew on
Tell me all that you know, I'll show you snow and rain

If you hear that same sweet song again, will you know
why?
Anyone who sings a tune so sweet is passin' by
Laugh in the sunshine, sing, cry in the dark, fly through
the night

Don't cry now, don't you cry, don't you cry anymore
Sleep in the stars, don't you cry, dry your eyes on the
wind

All I know is something like a bird within her sang
All I know she sang a little while and then flew off
Tell me all that you know, I'll show you snow and rain
