Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
Trouble ahead, trouble behind  
And you know that notion just crossed my mind

This old engine makes it on time  
Leaves Central Station 'bout a quarter to nine  
Hits River Junction at seventeen to  
And at quarter to ten you know it's drivin' again

Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
Trouble ahead, trouble behind  
And you know that notion just crossed my mind

Trouble ahead, a lady in red  
Take my advice, you'd be better off dead  
Switchman's sleeping, train hundred and two is  
On the wrong track and headed for you

Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
Trouble ahead, trouble behind  
And you know that notion just crossed my mind

Drive your train

Trouble with you is the trouble with me  
Got two good eyes but we still don't see  
Come 'round the bend, you know it's the end  
The fireman screams and the engine just gleams

Driving that train, high on cocaine  
Casey Jones, you better watch your speed  
Trouble ahead, trouble behind  
And you know that notion just crossed my mind
