Costs a lot to win, and even more to lose
You and me bound to spend some time just wonderin'
what to choose

Goes to show, you don't ever know
Watch each card you play and play it slow
Wait until that deal come round
Don't you let that deal go down, no, no

I been gamblin' hereabouts for ten good solid years
If I told you all that went down it would burn off both of
your ears

Goes to show you don't ever know
Watch each card you play and play it slow
Wait until that deal come round
Don't you let that deal go down, no, no

Poured the wine for me tightened up my shoes
I hate to leave you sittin' there, composin' lonesome
blues

Goes to show you don't ever know
Watch each card you play and play it slow
Wait until that deal come round
Don't you let that deal go down, no no

Costs a lot to win, and even more to lose
You and me bound to spend some time just wonderin'
what to choose

Goes to show, you don't ever know
Watch each card you play and please play it slow

Wait until that deal come round, don't you let that deal
go down

Wait until that deal come round, don't you let that deal
go down

Wait until that deal come round, don't you let that deal
go down

Wait until that deal come round, don't you let that deal
go down

Wait until that deal come round, don't you let that deal

go down

Wait until that deal come round, don't you let that deal

go down

Wait until that deal come round, don't you let that deal

go down

Wait until that deal come round, don't you let that deal

go down

Wait until that deal come round, don't you let that deal

go down

Wait until that deal come round, don't you let that deal

go down
