Way down in the south of France
All the ladies love to dance
Kick their heels up in the air
Snap their fingers for romance

While the gentlemen compare
Blonde or black or auburn hair
Check the motion and the style
Oh, you know they take their while

Hey to make the motion more complete
Yeah, to make it more a treat
Club Du jour is where to go
Come on down and see the show

When the rhythm's really right
You can burn it down tonight
When the singing's really fine
Sweet as Spanish Sherry Wine

When the club can't contain the beat
It just rolls out in the street

Spills on down the avenue
Bringing dancers to their feet

When it's good as it can be
It gets better, wait and see
Oh, these folks don't never sleep
'Til their passed out in the street, Ha!

Way down in the south of France
All the ladies love to dance
Clap their hands and walk on air
Yeah the feeling's really there

Won't you take a little taste
Raise it to your charming face?

When the rhythm's really right, you can burn it down
tonight
When the singing's really fine, sweet as Spanish Sherry

Wine
Go on take a chance
Ladies do love to dance!
