Some think the world is made for fun and frolic  
And so do I! And so do I!  
Some think it well to be all melancholic  
To pine and sigh, to pine and sigh  
But I, I love to spend my time in singing  
Some joyous song, some joyous song  
To set the air with music bravely ringing  
Is far from wrong, is far from wrong  
Harken! Harken! Music sounds afar  
Tralala... Joy is everywhere, funiculi funicula!  
Ah me! 'Tis strange that some should take to sighing  
And like it well, and like it well  
For me, I have not thought it worth the trying  
So cannot tell, so cannot tell  
With laugh and dance and song the day soon passes  
Full soon is gone, full soon is gone  
For mirth was made for joyous lads and lasses  
To call their own, to call their own
