Goin down the road feelin bad.
Goin down the road feelin bad.
Goin down the road feelin bad.
I dont want to be treated this away.

Goin where the climate suits my clothes.
Goin where the climate suits my clothes.
Goin where the climate suits my clothes.
I dont want to be treated this away.

Goin down the road feelin bad.
Goin down the road feelin bad.
Goin down the road feelin bad.
I dont want to be treated this away.

Goin where the water tastes like wine.
Goin where the water tastes like wine.
Goin where the water tastes like wine.
I dont want to be treated this away.

Goin down the road feelin bad.
Goin down the road feelin bad.
Goin down the road feelin bad.
I dont want to be treated this away.

Goin where the chilly winds dont blow.
Goin where the chilly winds dont blow.
Goin where those chilly winds dont blow.
I dont want to be treated this away.
