Baby here I am and I'm a man upon the scene
I can give you what you want but you got to come home
with me
I got a whole lot of good old loving and I got some in
store
When I get through throwin' it on to you got to come
back for more

Boys and things will come by the dozen
Ain't nothin' but drug store love
Pretty little thing let me light your candle
'Cause mama I'm sure hard to handle, now yes I am

Action speaks louder than words and I'm a man with
great experience
I know you got another man but I can love you better
than him
Take my hand, don't be afraid I'm gonna prove every
word I say
I'm advertising love for free, so won't you place your
ad with me?

Boys and things will come by the dozen
Ain't nothin' but drug store love
Pretty little thing let me light your candle

Give it to me baby, I got to have it, some of your love
It's all I need, early in the morning, late in the evening
