Little bitty boy, with a heart of steel
You know you can't boogie now, but your sister sure will
Feel good music in your soul
Makes your body wanna rock, wanna rock 'n' roll

Hey, hey, hey, hey
Hey, Pocky Way
Hey, hey, hey
Hey, Pocky Way

Lie back grooving in your car
Makes no difference who or where you are
Feel good music in your soul
Makes your body wanna, wanna rock 'n' roll

Hey, hey, hey, hey
Hey, Pocky Way
Hey, hey, hey
Hey, Pocky Way

Lie back grooving in your car
Makes no difference who or where you are
Feel good music in your soul
Makes your body wanna rock 'n' roll

Hey, hey, hey, hey
Hey, Pocky Way
Hey, hey, hey
Hey, Pocky Way

Hey, hey, hey, hey
Hey, Pocky Way
Hey, hey, hey
Hey, Pocky Way
