How sweet it is to be loved by you
How sweet it is to be loved by you
I needed the shelter of someone's arms and there you
were
With sweet love and devotion gently touching my
emotion
I want to stop - to thank you baby
How sweet it is to be loved by you
How sweet it is to be loved by you
Open my eyes at night
I wonder what I would be without you in my life
Everything was just a bore
All the things I've done you know I've done them before
But you brightened up all of my days
With your love so sweet and in so many ways
I want to stop - to thank you baby
How sweet it is to be loved by you
How sweet it is to be loved by you
Sweeter than the honey from the bees, baby
