Little girl lost
In a forest of dreams.
Its a dark old wood
And its damp with dew.
Hoot owl hoots
For a moment it seems
Something big and cold
Got ahold of you.
Just when everything gets scary,
Daddys come round for his darlin again.
Hold my hand with your little fingers.
Daddys loving arms gonna gather you in.

Aint no way the bogeyman can get you,
You can close your eyes, the world is gonna let you,
Your daddys here and never will forget you,
I will take you home.
I will take you home.
Gonna carry you back home
In my arms.
I will take you home.

Long is the road
We must travel on down.
Short are the legs
That will struggle behind.
I wish I knew for sure
Just where were bound,
What we will be doin
And what were gonna find.
Wherever we go, there will be birds to cheer you
Flowers to color in the fields around.
Wherever we go, Ill be right here near you
You cant get lost when youre always found.

Aint no fog thats thick enough to hide you
Your daddys gonna be right here beside you
If your fears should start to get inside you.
I will take you home.
I will take you home.
Gonna carry you back home
In my arms.

I will take you home.
