Well, there aint nobody safer than someone who  
doesnt care.  
And it isnt even lonely when no ones ever there.  
I had a lot of dreams once, but some of them came  
true...  
The honeys sometimes bitter when fortune falls on you.

So you know Ive been a soldier in the armies of the  
night.  
And Ill find the fatal error in whats otherwise all right.  
But here youre trembling like a sparrow, I will try with  
all my might  
To give you just a little sweetness...  
Just a little sweetness...  
Just a little light.

I have always heard that virtue ought be its own  
reward,  
But it never comes so easy when youre living by the  
sword.  
Its even harder to be heartless when you look at me  
that way.  
Youre as mighty as the flower that will grow the stones  
away.

Even though I been a stranger, full of irony and spite  
Holding little but contempt for all things beautiful and  
bright,  
Something shines around you and it seems, to my  
delight  
To give me just a little sweetness...  
Just a little sweetness...  
Just a little sweetness...  
Just a little light.

This could be just another highway, coiled up in the  
night.  
You could be just another white-tail, baby, stranded on  
my brights,  
Theres a tingling recognition  
Like the sound of distant thunder  
And I begin to wonder

If the love Ive driven under  
Wont ignite.

So you know Ive been a soldier in the armies of the  
night.  
And Ill find the fatal error in whats otherwise all right.  
Something shines around you that seems, to my  
delight  
To give me just a little sweetness...  
Just a little sweetness...  
Just a little sweetness...  
Just a little light.
