Great North Special, were you on board?  
You can't find a ride like that no more  
Night the chariot swung down low  
Ninety-nine children had a chance to go

One long party from front to end  
Tune to the whistle going round the bend  
No great hurry, what do you say?  
Might as well travel the elegant way

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)

Ragtime slowly for twenty-five miles  
Then switch over to the Cajun style  
Bar car loaded with rhythm and blues  
Rock and roll wailing in the old caboose

Long train running from coast to coast  
Bringing 'long the party where they need it the most  
Work on the box car, beat on the bell  
Nothing else shaking so you might just as well

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)

Never had such a good time in my life before  
I'd like to have it one time more

One good ride from start to end  
I'd like to take that ride again

Run out of track and I caught the plane  
Back in the county with the blues again  
Great North Special been on my mind  
Might like to ride it just one more time

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)

Might as well, might as well  
(Might as well, might as well)  
Might as well, might as well  
(Might as well, might as well)
