Last leaf fallen, bare earth where green was born  
Above my doorknob, two eagles hang against a cloud  
Sun comes up, blood red wind yells among the stone  
All graceful instruments are known

When the windows all are broken and your love's  
become a toothless crone  
When the voices of the storm sound like a crowd  
Winter morning breaks, you're all alone

The eyes are blind, blue visions, all a seer can own  
And touching makes the flesh to cry out loud  
This ground on which the seed of love is sown  
All graceful instruments are known
