Next time you see me, things won't be the same
Next time you see me, things won't be the same
If it hurts you my darling, you only got yourself to
blame

Well, it's a true, true saying, all that shines is not gold
It's a true, true saying, all that shines is not gold
Like the good book says, you gotta reap it just what you
sow

Well, you lied, cheated, woh-oh, for so long
Well, you lied, cheated, woh-oh, for so long
You were wrong to do it woman, and another queen is
on your throne

Well, you lied, cheated, woh-oh, for so long
Well, you lied, cheated, woh-oh, for so long
You were wrong to do it woman, and another queen is
on your throne

Next time you see me, things won't be the same
Next time you see me, things won't be by the same
And if it hurts you my darling, you only got yourself to
blame

Well, it's true, true saying, all that shines is not gold
Well, it's true, true saying, all that shines is not gold
Like the good book says, you gotta reap it just what you
sow
