One two, one two three
One two, one two three

All my love, all of my kissin'
You don't know, what you been missing
Oh boy, when you're with me
Oh boy, I want the world to see
That you were meant for me

All my life, I've been waitin'
Tonight there'll be no hesitatin'
Oh boy, when you're with me
Oh boy, I want the world to see
That you were meant for me

Stars appear and the shadows are fallin'
You can hear, my heart callin'
A little bit of lovin' makes everything right
I'm gonna see, my baby, tonight

All my life, I've been waitin'
Tonight there'll be no hesitatin'
Oh boy, when you're with me
Oh boy, I want the world to see
That you were meant for me

Stars appear and the shadows are fallin'
You can hear, my heart callin'
A little bit of lovin' makes everything right
I'm gonna see, my baby, tonight

All my life, I've been waitin'
Tonight there'll be no hesitatin'
Oh boy, when you're with me
Oh boy, I want the world to see
That you were meant for me

That you were meant for me
That you were meant for me
