Some folks trust to reason  
Others trust to might  
I don't trust to nothing  
But I know it come out right

Say it once again now  
Oh, I hope you understand  
When it's done and over  
Lord, a man is just a man

Playing  
Playing in the band  
Daybreak  
Daybreak on the land

Some folks look for answers  
Others look for fights  
Some folks up in treetops  
Just look to see the sights

But I can tell your future  
Look what's in your hand  
But I can't stop for nothing  
I'm just playing in the band

Playing  
Playing in the band  
Daybreak  
Daybreak on the land

Standing on a tower  
World at my command  
You just keep a turning  
While I'm playing in the band

If a man among you  
Got no sin upon his hand  
Let him cast a stone at me  
For playing in the band

Playing  
Playing in the band

Daybreak  
Daybreak on the land
