Sugar magnolia, blossoms blooming
Heads all empty and I don't care
Saw my baby down by the river
Knew shed have to come up soon for air

Sweet blossom come on, under the willow
We can have high times if you'll abide
We can discover the wonders of nature
Rolling in the rushes down by the riverside

Shes got everything delightful
She's got everything I need
Takes the wheel when I'm seeing double
Pays my ticket when I speed

She comes skimmin' through rays of violet
She can wade in a drop of dew
She don't come and I don't follow
Waits backstage while I sing to you

Well, she can dance a Cajun rhythm
Jump like a willys in four wheel drive
Shes a summer love for spring, fall and winter
She can make happy any man alive

Sugar magnolia, ringing that bluebell
Caught up in sunlight, come on out singing
I'll walk you in the sunshine
Come on honey, come along with me

Shes got everything delightful
Shes got everything I need
A breeze in the pines and the sun
And bright moonlight, lazing in the sunshine, yes
indeed

Sometimes when the cuckoos crying
When the moon is half way down
Sometimes when the night is dying
I take me out and I wander around, I wander round

Sunshine, daydream

Walking in the tall trees
Going where the wind goes
Blooming like a red rose breathing more freely

Ride our singin'
I'll walk you in the morning sunshine
Sunshine, daydream, sunshine, daydream
Walking in the sunshine
