

Grateful Dead "Sunshine Daydream"

Sunshine, daydream, walking in the tall trees
Going where the wind goes
Blooming like a red rose, now come on over sweetly
Ride out singin', "I got you in the morning sunshine"

Sunshine, daydream, now come on over daydream
Sunshine, daydream, hey come on, never gonna sweet
dream
Sunshine, daydream, wading in a cold stream

Say calling out your window, "Wake up"
Going where the wind goes, never gonna miss that, no
no no
Ride out singin', "I got you in the morning sunshine"

Sunshine, daydream, hey, street coming daydream
Hey, hey, I'm moving on a daydream, hey
Hey, sweet coming daydream, hey

Sun coming daydream, come on over daydream
Come on over, come on over daydream
Sweet coming daydream, hey, never fade away dream
Yeah, hey hey, sweet coming daydream, never fade
away dream
