Terrapin Station - Lady With a Fan

Let my inspiration flow in token rhyme, suggesting  
rhythm,  
That will not forsake you, till my tale is told and done.  
While the firelight's aglow, strange shadows from the  
flames will grow,  
Till things we've never seen will seem familiar.

Shadows of a sailor, forming winds both foul and fair  
all swarm.

Down in Carlisle, he loved a lady many years ago.  
Here beside him stands a man, a soldier from the  
looks of him,  
Who came through many fights, but lost at love.

While the story teller speaks, a door within the fire  
creaks;  
Suddenly flies open, and a girl is standing there.  
Eyes alight, with glowing hair, all that fancy paints as  
fair,  
She takes her fan and throws it, in the lion's den.

Which of you to gain me, tell, will risk uncertain pains  
of hell?

I will not forgive you if you will not take the chance.  
The sailor gave at least a try, the soldier being much  
too wise,  
Strategy was his strength, and not disaster.

The sailor, coming out again, the lady fairly leapt at  
him.

That's how it stands today. You decide if he was wise.  
The story teller makes no choice. Soon you will not hear  
his voice.

His job is to shed light, and not to master.

Since the end is never told, we pay the teller off in

gold,  
In hopes he will return, but he cannot be bought or sold.

### Terrapin Station

Inspiration, move me brightly. Light the song with  
sense and color;  
Hold away despair, more than this I will not ask.  
Faced with mysteries dark and vast, statements just  
seem vain at last.  
Some rise, some fall, some climb, to get to Terrapin.

Counting stars by candlelight, all are dim but one is  
bright;  
The spiral light of Venus, rising first and shining best,  
On, from the northwest corner, of a brand new crescent  
moon,  
While crickets and cicadas sing, a rare and different  
tune,  
Terrapin Station.

In the shadow of the moon, Terrapin Station.  
And I know we'll get there soon, Terrapin Station.  
I can't figure out, Terrapin, if it's the end or beginning,  
Terrapin,  
But the train's put it's brakes on, Terrapin,  
And the whistle is screaming, TERRAPIN.

### Terrapin Station - At the Siding

While you were gone, these faces filled with darkness.  
The obvious was hidden. With nothing to believe in,

Sullen wings of fortune beat like rain.  
You're back in Terrapin for good or ill again, for good  
or ill again
