What are they seeing when they look in each other's
eyes?

What are they feeling when they see each other's
smile?

Is it a love I've never known or an emotion that I've
outgrown?

Did I take a wrong turnin' on life's winding road?
Won't somebody help me find the, find the right way to
go?

My life need some correction, alteration in direction
Won't someone come with me for a while, for a while,
yes, yes I'm lost

What is the secret of this tie that binds
Two souls in communion, both body and mind
Is it special magic or just the nature of things?
Conceived of great spirit, not for beggars but kings

You who have found it, please help me along
I'm a man, I'm a man, I'm not, I'm not made out of
stone
My needs they are simple, I don't want many things
But I truly want to fly on them wings of love one more
time

That's all I need
I wanna fly on them wings
I wanna fly on them wings of love
I'm a stranger here

Won't somebody help me now
I wake up early in the morning
You know, you know, you know my pillow gets soaking
wet
All I need, all I need

That's to fly on them wings
I'm in love one more time
I'm a stranger in your town
Don't [Incomprehensible] on them wings
