When your lost in the rain in juarez and it's easter time
too
When your gravity is down and negativity won't pull you
through
Don't you put on any airs when you down on rue
morgue avenue.
They got some hungry creatures there they'll surely
make a mess out of you

If you see st. annie, please tell her thanks alot
My thoughts they are twisted, my tentacles are all in a
knot
I don't even have the strength to get up and take
another shot.
Now my best friend, my drummer, won't even tell what
it was that I dropped

Now sweet melinda, the peasants call her the goddess
of gloom.
She speaks good english as she invites you up into her
room.
And you, you were so damn conscientious, you couldn't
go to her too soon
Still she takes your voice and leaves you howling at the
moon.

Up on housing project hill, it's either fortune or fame
You must choose one or the other though neither are to
be what they claim

If you're looking to get silly, you better get back from
where you came
You know the cops don't need you and we all expect
the same.

Now all the authorities, they just lay around and boast
About how they blackmailed the president into leaving
his post.
And picking up angel,
Who arrived up here from the coast,
Who looked so fine at first, but left looking like a ghost.

Now I started out heinakin, still hit the harder stuff
Everybody swore they stand behind me when the game
got rough
But the joke was on me, there was nobody even there
to call my bluff
I'm goin' back to san enselmo, I do believe I had
enough.
