Blue light rain  
Whoa, unbroken chain  
Looking for familiar faces  
In an empty window pane

Listening for the secret  
Searching for the sound  
But I could only hear the preacher  
And the baying of his hounds

Willow sky  
Whoa, I walk and wonder why  
They say love your brother  
But you will catch it when you try

Roll you down the line boy  
Drop you for a loss  
Ride you out on a cold railroad  
And nail you to a cross

November and more  
As I wait for the score  
They're telling me forgiveness  
Is the key to every door

A slow winder day  
A night like forever  
Sink like a stone  
Float like a feather

Lilac rain, unbroken chain  
Song of the saw-whet owl  
Out on the mountain, it'll drive you insane  
Listening to the winds howl

Unbroken chain of sorrow and pearls  
Unbroken chain of sky and sea  
Unbroken chain of the western wind  
Unbroken chain of you and me
