Wake up little Susie, wake up, wake up little Susie, wake up

The movie wasn't so hot, it didn't have much of a plot
We fell asleep, our goose is cooked, our reputation is shot

Wake up little Susie, wake up little Susie

What are you gonna tell your mama, what you gonna tell your pap

What are you gonna tell your friends when they say,
"oh la la"

Wake up little Susie, wake up little Susie

Well I told your mama that you'd be back by ten

Now Susie, baby looks like we goofed again

Wake up little Susie, wake up little Susie, we gotta go home

Wake up little Susie, wake up, wake up little Susie, wake up

The bullfrog's sound asleep, wake up little Susie and weep

It's four o'clock and we're in trouble deep

Wake up little Susie, wake up little Susie

What are you gonna tell your mama, what you gonna tell your pap

What are you gonna tell your friends when they say,
"oh la la"

Wake up little Susie, wake up little Susie

Well I told your mama that you'd be back by ten

Now Susie, baby looks like we goofed again

Wake up little Susie, wake up little Susie, we gotta go home
