Woke up this morning, felt around for my shoes  
That's when I knew I had them old walking blues  
I woke up this morning, felt around, felt around for my  
shoes  
That's when I knew I had them old, mean old walking  
blues  
Leaving in the morning if I have to, robbed blind  
I've been mistreated and I don't mind dying  
I'm leaving in the morning if I have to, robbed blind  
I've been mistreated and I just don't mind dying  
She got a Belgium movement from her head down to  
her toes  
Breaking on a dollar 'most anywhere she goes  
Well I got a good woman coming my way  
Tried to try, some electric pantin', some electric chillin'  
cryin'  
But, ooh, mistook, misgiven  
Got me up and walking Baby, but I'm walking blue,  
walking blue  
Well some people say boy, the walking blues ain't bad  
It's the worst old feelin' I 'most ever had
