Baby's back all dressed in black
Silver buttons all down her back
High ho tip the toes
She broke the needle now she can't sew

Walking the dog
I'm just a walking the dog
If you don't know how to do it
I'll show you how to walk that dog

With silver bells and cockle shells
And pretty maids all in a row

I asked my mother for fifteen cents
I see her ever I jump the fence
I jumped the sky I touched the sky
Never come down 'till the fourth of July
