We don't own this place, though we act as if we did  
It's a loan from the children of our children's kids  
The actual owners haven't even been born yet

But we never tend the garden and rarely we pay the  
rent  
Most of it is broken and the rest of it is bent  
Put it all on plastic and I wonder where we'll be when  
the bills hit

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide  
Oh no, we can't hide

I'm dumpin' my trash in your back yard  
Makin' certain you don't notice really isn't so hard  
You're so busy with your guns and all of your excuses  
to use them

Well, it's oil for the rich and babies for the poor  
We got everyone believin' that more is more  
If a reckoning comes, maybe we will know what to do  
then

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide  
Oh no, we can't hide

All these complications seem to leave no choice  
I heard the tongues of billions speak with just one voice  
Saying, "Just leave all the rest to me  
I need it worse than you, you see"  
And then I heard  
The sound of one child crying

Today I went walking in the amber wind  
There's a hole in the sky where the light pours in  
I remembered the days when I wasn't afraid of the  
sunshine

But now it beats down on the asphalt land  
Like a hammering blow from God's left hand  
What little still grows cringes in the shade till the night  
time

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide  
Oh no, we can't hide

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide  
Oh no, we can't hide

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide

We can run but we can't hide from it  
Of all possible worlds we only got one we gotta ride on  
it  
Whatever we've done  
We'll never get far from what we leave behind  
Baby, we can run, run, run, but we can't hide
