Let us put men and women together  
See which one is smarter  
Some say men, but I say no  
Women run the men like a puppet show

It ain't me  
It's the people that say  
Men are leading the women astray  
But I say, it's the women today  
Smarter than the man in every way

Chorus:  
That's right  
The women are smarter  
That's right  
The women are smarter  
That's right  
The women are smarter  
The women are smarter  
That's right

Little boy sit on the corner and cry  
Big man come and he asked him why  
He said, "I can't do what the big boys do"  
The man sat down and he cried too

It ain't me  
It's the people that say  
Men are leading the women astray  
But I say, it's the women today  
Smarter than the man in every way

Chorus:  
That's right  
The women are smarter  
That's right  
The women are smarter  
That's right  
The women are smarter  
The women are smarter  
That's right, that's right

Ever since the world began  
Women been banned from the ways of man  
Listen boy 'cause I've got a plan  
Give it up, don't try and understand

It ain't me  
It's the people that say  
Men are leading the women astray  
But I say, it's the women today  
Smarter than the man in every way

Chorus:  
That's right  
The women are smarter  
That's right  
The women are smarter  
That's right  
The women are smarter  
The women are smarter  
That's right

Let us put men and women together  
See which one is smarter  
Some say men, but I say no  
Women run the men like a puppet show

It ain't me  
It's the people that say  
Men are leading the women astray  
But I say, it's the women today  
Smarter than the man in every way

Chorus:  
That's right  
The women are smarter  
That's right  
The women are smarter  
That's right  
The women are smarter  
The women are smarter  
That's right, that's right

Repeat chorus and fade out
