I am reborn I have seen the light  
I was lost but now I'm found  
Judgement Day is soon to come  
Sinners beware and bow down

I see them in the streets  
Speaking to no one

Weak in their mind and weak in their hearts  
So convincing to themself  
I've seen the truth, Dead is better  
Than living in a self-created dream

Let me guide you down  
Path #666

Through the portals of damnation  
Prepare to taste the virgin's blood  
Darkness surrounds you as we part  
Your body from your soul

I have seen the truth, Dead is better  
Than to live in a state of dreams

Now you're reborn but now by the light  
Tormented screams is now your mass  
Now admit taht our salvation  
Has more to offer that Paradise

Through the portals of damnation  
Prepare to taste the virgin's blood  
Darkness surrounds you as we part  
Your body from your soul

"Hell is only a word...  
Reality is much, much worse"
