My secret friends inside tells me my daily plans
This far they've never failed me
My one and only choice in life
Has been to follow their commands
I never question them, So why should you?
My sole existence is to Kill
Insanity for you may be my daily deeds
Alone with my blade seems so surreal
Say, can you hear them?
They whisper to me Judgement day has come
Don't incarcerate me
It may seem strange to you but it's my reality
My secret friends inside tells me my daily plans
I never question them, So why should you?
Say, can you hear them?
They whisper to me Slay for us tonight
Please get them off me
This is my honest truth, my blade doesn't lie
