"Until When"

Has it always been this way?
Oh no! Here comes another day!
Are we gunna end this?

And the one that leaves, is the one that stays!
And the one that leaves always!
Always waiting.

Until when? Later on, yeah i'll wait here again,
yeah i'll wait here again,
for the one,
you were then.
Yeah I'll wait here again,
yeah I'll wait here again.

I don't wanna let you off the hook!
Put you up all across the something I could touch and
see is gone now and I feel lost.

And the one that leaves, is the one that stays!
And the one that leaves always!
Always waiting.

Until when? later on, yeah i'll wait here again,
yeah i'll wait here again,
for the one,
you were then,
yeah i'll wait here again, again, again, again, oh!

Again.
Later.

Has it always been this way? Oh no!
Here come another day!

Until when? Later on, yeah i'll wait here again,
yeah I'll wait here again,
for the one,
you were then,
yeah I'll wait here again,
yeah i'll wait here...

Until when? Later on, yeah i'll wait here again,
yeah i'll wait here again,
for the one,
you were then,
yeah i'll wait here again, ohoh, ohoh, ohoh, ohohohoh,
yeah i'll wait here again.

Again.
