Season of the undead nears  
lying waiting the rite  
spiritual visions appear  
to fulfill the prophecy

These walls stained  
by blood of immortality  
haunted through centuries  
by souls of morality

Laid down to rest  
in unholy ground  
ancient creation man  
supposed to never appear.

These walls stained  
by blood of immortality  
haunted through centuries

by souls of morality

Season of the undead nears  
lying waiting the rite  
spiritual visions appear  
to fulfill the prophecy

These walls stained  
by blood of immortality  
haunted through centuries  
by souls of morality
