Unknown heir, orphaned page
A King to be come his age
For God's sake

Sorcerer, sword in stone
Release will bring the throne
For the chosen one

The Almighty will point out
The only royal blood in the crowd

Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur

Unworthy bound to fail
Noble heart bound to gain
Challenge your faith

Sorcerer, sword in stone
Release it, ascend the throne
Take the crown

The Almighty now throws the dice
Wrath of the man without a vice

Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur

Precious sword, wraps up them
He deserves to rule the land
Lead Britannia

Excalibur lights up the sky
Hard times have been passing by

Excalibur

Sword of the kings
Take me on your wings
Back where I belong
Excalibur

Excalibur
Sword of the kings
Take me on your wings
Back where I belong
Excalibur
