

## Grave Digger "Friends Of Mine"

All the time friends of mine  
Compliment me  
All day long nothing's wrong  
Just to please me  
What the Hell, let them say  
They above me  
A two-faced lie can't be true  
It all bores me  
Friends of mine say I'm fine -  
Don't believe them  
Friend's of mine, they don't know  
My suspicion  
Push on in, stand up close  
While I'm winning  
Get a share, an empty stare -  
Thanks, I'm leavin'  
Friends of mine  
Rule the world  
Friends of mine  
Ruin the world  
But it's true, I don't know  
Who's beside me  
I look around, see my friends  
Do they see me

I can't count on one or two  
When I'm lovely  
But the rest, their interest:  
Big time money  
Friends of mine  
Take good care  
Friends of mine  
Better watch out  
Watch yourselves  
Friends of mine, I don't know  
Who's beside me  
I look around, see my friends  
Do they see me  
I can't count on one or two  
When I'm lovely  
But the rest, their interest:  
Big time money
