Sacred hall, eternal might
Endless fame, see the golden light
Son of the dark, Goddess of youth
Sacrifice her and pay the price

Forever, you'll be guilty
Forever, you'll be free
Forever, you'll be strong
Forever, you will live in peace

Giants

Giants

But in the light of day, pay us penance
Instead of the Goddess, we'll have the ring
Brother take heed, don't be greedy
The gold, the treasure is mine forever

I have slain my brother
'Cause we hate each other
I have changed my face
To the dragon's race

Forever, you'll be free
