In the greenest of the valleys  
Once a fair and stately palace  
But when the night had thrown her pall  
The deadly cloud awaken them all

On a black throne reigns upright  
A faceless skull the kingdom of the night  
Evil things, no human kind  
Heartless spirits, cold and blind

DEADLY GHOSTS IN ROBES OF SORROW  
DEADLY SHADOWS IN THE MORROW  
DANCING ROUND THE HOME OF GLORY  
ENCHANTED BY THE MELODY  
HAUNTED PALACE  
HAUNTED PALACE

Hear the tolling of the bells  
And the pain of the dead swells  
Hear their voices screaming for life  
Wanderer be careful because they want your wife

DEADLY GHOSTS IN ROBES OF SORROW  
DEADLY SHADOWS IN THE MORROW  
DANCING ROUND THE HOME OF GLORY  
ENCHANTED BY THE MELODY
