Open the door  
With you lips kiss the floor  
Open your eyes  
You're in hell pay the price

Open your mind  
Let me see your thoughts behind  
Open your mouth  
And let me know the truth

The devil rises up  
Out of the fire  
he calls me a liar

But I like to stay  
Hell to pay  
That's my way  
Hell to pay  
Hell to pay

When angels fly free  
I lock up the door and hold the key  
When hell is open  
My black heart will know what happened

The devil rises up  
punishes me with hate  
and lead me to the gate

But I like to stay  
Hell to pay  
That's my way  
Hell to pay  
Hell to pay

The devil rises up  
punishes me with hate  
and lead me to the gate

But I like to stay  
Hell to pay  
That's my way

Hell to pay  
Hell to pay
