Bound to ride to Camelot, heading for the throne
Pretending integrity, too late one will know
Day by day at Arthur's side playing his role
Day by day at Arthur's side closer to his goal

Warrior with royal blood
Longing for the reign
Descended from a witches breed
Witchcraft in his veins

Leader of the underworld, ruler of the night
Deceiver of kings, deceiver of knights
Keeper of the secret Reich, keeper of the light
I am Mordred, King of the night

The nephew is a viper no one realizes
His tongue spares the truth, his eyes hypnotize
He injects the poison slowly starts to mesmerize
Gathering the troops around him all are magnetized

Warrior with royal blood
Longing for the reign
Descended from a witches breed
Witchcraft in his veins

Leader of the underworld, ruler of the night
Deceiver of kings, deceiver of knights
Keeper of the secret Reich, keeper of the light
I am Mordred, King of the night
