My ruby eyes can see
All secrets and stories never told
With the shadows I dance
Sombre castle, soul aglow

I have the power
I have the might
Morgane Le Fay

Go

When I felt my father's death
The dragon put my mother in disgrace
Down by the fireplace
Sowing seed of my evil ways

Don't mess with me
Do not cross my way
Or you may play a part
In my malicious game

I am the devil in disguise
I bring the evil to your life
Listen, listen, listen what I say
My name is Morgane Le Fay

I spoil all happiness
I reveal unvarnished truth
Call me the Black Nun
I am invincible, I never lose

Don't mess with me
Do not cross my way
Or you may play a part
In my malicious game
Or you may play a part
In my malicious game

I am the devil in disguise
I bring the evil to your life
Listen, listen, listen what I say
My name is Morgane Le Fay

I am the devil in disguise
I bring the evil to your life
Listen, listen, listen what I say
My name is Morgane Le Fay

I am the devil in disguise
I bring the evil to your life
Listen, listen, what I say

I am the devil in disguise
I bring the evil to your life
Listen, listen, listen what I say
My name is Morgane Le Fay

I am the devil in disguise
I bring the evil to your life
Listen, listen, listen what I say
My name is Morgane Le Fay
