In the depths of the river  
Deep in the waves  
Three Rhine Maidens are singin'  
Songs of the brave

An ugly dwarf  
Greedy with pleasure  
Desires of the gold  
Tries to steal the treasure

Guardians of the holy treasure  
No cheat should steal it from the river  
Gleaming glow in the water's depth  
Shines brightly, bravely through the waves

Rheingold, Rheingold  
Rheingold, Rheingold

Who denies love  
Who forfeits its power  
Can attain the magic  
To forge a ring

If you are unarmored  
And longing for love  
Let's see my handsome  
What you look like?

Guardians of the holy treasure  
No cheat should steal it from the river  
Gleaming glow in the water's depth  
Shines brightly, bravely through the waves

Rheingold, Rheingold  
Rheingold, Rheingold

Aren't you afraid?  
Brood of the waters  
Then conquer the dark  
And I'll put out your light

I wrench the gold from the rock

Forge the ring of revenge  
For hell and the devil  
I curse my love

Guardians of the holy treasure  
No cheat should steal it from the river  
Who from the Rheingold will fashion the ring  
Win the world's wealth and will be king?

Rheingold, Rheingold
