Visit "[Shadows Of The Past](#)" on MotoLyrics.com

I once gave my heart and soul
why - I wanna know
you've got what you were looking for
you enjoyed your show

Sacrifice you - without warning
not for you - I can't take it
now you're gone - I will make it
all night long - I wan't miss you

Shadows of the past
Returned from nowhere I stand
Shadows of the past
Alone you'll be in the end

I found out you never mean
anything you say
you're the kind who tries to tease
then you run away

Today I found my destiny
I was just you fool
there's another place for me
now I know the truth
