Well done my friend, thanks for the offer  
We'll catch him at night to end this game  
Take these thirty dimes in a coffer  
Meet us at midnight, please hold the flame

Believe my days are counted  
I feel the evil breath  
The liar sits right by my side  
His eyes are full of fear and pride

It's my last supper  
After this I will die  
It's my last supper  
My own sacrifice

Welcome my friends, come celebrate with me  
You are invited to take a place  
Feast and drink as much as you will  
Before they start the race of death

Believe my days are counted  
I feel the evil breath  
The liar sits right by my side  
His eyes are full of fear and pride

It's my last supper  
After this I will die  
It's my last supper  
My own sacrifice

My end is near  
Come pray with me  
My fortune is over  
But love can be

Whenever I die  
Please let me fly  
Remember me  
And love can be

Believe my days are counted  
I feel the evil breath

The liar sits right by my side  
His eyes are full of fear and pride

It's my last supper  
After this I will die  
It's my last supper  
My own sacrifice
