The story of Merlin and Nimue, one of Morgane's ladies  
in warning. She  
promised Merlin sex and marriage if he would teach  
her his black arts. But  
Nimue just used him, and with his own magic managed  
to cast a life-long  
spell on him, turning him into a rock. Many Knights  
seeking the Holy  
Grail later said that they heard Merlin's voice. In any  
case, he was never  
seen again.

Love made a fool of me  
I am betrayed by love  
I let her in my secrets, my heart

I still fall for her beauty  
And the smell of her skin  
She gave a meaning to everything

There in the woods she taught me how to touch a girl  
I taught her to enchant any person in the world

I feel my end is near  
I think I have to die  
I pay a high price feeling lust between her thighs

I feel my end is near  
I thought I knew her well  
How could I ever be cast under my own spell

And now my bride is gone  
She finally sealed my fate  
I love her more than life, and this is what she takes

A man with a broken heart  
Lost the reason to live  
Lost in despair with nothing left to give
