Have you seen that man
Wrapped up all in black?
He waits for his chance
Steps behind your back

He's the raper of the night
Never seen before
There's no warning when he comes
Lock your bedroom door

Jumped the garden wall
Did you hear him howl?
He waits outside the hall
Can't you see him frown?

Well, this guy is on the prowl
For evil and for lust
If you meet him, pray to God
Or you will be lost

He's a witch hunter, witch hunter
Witch hunter, witch hunter

Through the kitchen door
He's just found his way
Now the clock strikes four
Tonight he will stay

Stepping down your marble hall
Wears a sharpened knife
You can say, "I told you so"
He wants you for his wife

A witch hunter, witch hunter
Witch hunter, witch hunter

Jumped the garden wall
Did you hear him howl?
He waits outside the hall
Can't you see him frown?

Well, this guy is on the prowl

For evil and for lust
If you meet him, pray to God
Or you will be lost

He's a witch hunter, witch hunter
Witch hunter, witch hunter
Witch hunter, witch hunter
Witch hunter, witch hunter
