"Nothing"

Are you in bad mood?
Don't you wanna talk about it?
Did I say somethin' rude?
You don't have to cry about it.
Aren't you feelin' okay?
Would you like a little company?
Or did you have a bad day?
Are you mad at me? -- let it show
Don't tell me nothing -- I don't wanna know
There's nothing I hate more than nothing
Nothing keeps me up at night
I toss & turn over nothing
Nothing could cause a great BIG fight
Hey -- what's the matter?
Don't tell me nothing.
