I ain't gonna kill myself loving you
I ain't gonna break my own heart
I ain't gonna kill myself wanting you
When you don't seem to want any part of my love
And I know I'll be fine just as soon as I let go
Yes I know I'll be alright as soon as I let go
Get a strong case of weakness -- a rich worthless love
Tell you straight out that it's twisted
Crack flash of lightning struck from above
Knocked down a cow and I kissed ya
Oh, now, now I know I'll be fine just as soon as I let go
Yes I know I'll be alright as soon as I let go
But I keep holding on for a future
I keep waiting for something to change
I keep holding on for a future
I keep looking for something that I never see
I ain't gonna kill myself loving you
I ain't gonna die for a life together
I ain't gonna kill myself wanting you
When you don't seem to want me oh my days go by
