See them black clothes and tears in their eyes
A loved one for them has died
They taking their last goodbye
His girlfriend stands there and cry
The coffin is covered with roses so black
They paying their last respects
Now he's dead and gone
To him life didn't belong
She is asking God, why did you took him away
He who loved his life, why wouldn't you let him stay
I begin to think you're evil, you bring only sadness
and pain
Here I'm asking why and my tears falls like rain
She's trying to go on with her life
Without him she's empty inside
She hopes she will meet him again
That's when she's free from all her pain
