Do you want to trade a day with me
I get yours and you get mine for free
I have turned my days into nights
Anything to avoid the daylight

I must be stupid cause I feel such shame
I am a failure and have no one to blame
I wish I could be happy and smile
For heaven's sake I can't even cry

Welcome to my misery
I'm gonna guide you through
We will take the easy way
I think it's best for you

I must be stupid cause I feel such shame
I am a failure and have no one to blame
I wish I could be happy and smile
For heaven's sake I can't even cry

I have seen so many pictures of the life I want
I have longed in vain but there is nothing to talk about
Am I just wasting my time, or am I doing fine
Gimme a ticket to paradise and I will say goodbye

Everything for you is back to normal
Was it as good as you imagined
I guess you can't compare with heaven
But you're welcome back for a trade any day

I must be stupid cause I feel such shame
I am a failure and have no one to blame
I wish I could be happy and smile
For heaven's sake I can't even cry
