Once upon a time I was not afraid  
To face this thing called life  
I don't know who's to blame  
But there is no happiness in sight  
Once upon a time I was happy  
I wish I could be again  
All I see is darkness  
And my eyes are not closed  
I'm living in a passed dream  
I don't know where it will end this time  
All my greater moments are gone  
I wish I could freeze the time  
Think back to the time when I was younger  
I thought it would work it out by itself  
I have only grown older  
Things ahead of me I just want to forget  
I'm living in a passed dream  
I don't know where it will end this time  
All my greater moments are gone  
I wish I could freeze the time  
From inside comes the fear that brings me down  
Wishing I could go back into a memory  
From inside comes the fear that brings me down  
Wishing I could get rid of reality
