I see your beautiful face
When you lie and sleep
Your face looks so pale
And you sleep so deep
I won't realize
That you will leave me soon
The sickness that you've got
It's going to end your life

I'm sitting by your side
And I hold your hand
I can't hold back my tears
I'm so afraid
I hear you whisper my name
And you sound so weak
You just closed your eyes
And told me goodbye

In my hour of sorrow, I'm screaming why
You have just left me, I'm standing by your side
You look so beautiful, I cannot hide my tears
Now I'm all alone after all these years
I will never forget you, you will always be on my mind
You were so special, you were one of a kind
