Something stays so wrong with me
Most the time
Something stays so wrong with me
Most the time
I gotta haul that carcass
Up the stream
I gotta haul that carcass
Up the stream
Something stays so wrong with me
Most the time
I gotta haul that carcass
Up the stream
I gotta haul that carcass
Up the stream
Something stays so wrong with me
Most the time
Something stays so wrong with me
Most the time

Haul that carcass
Haul that carcass
Haul that carcass
Haul that carcass
